

**CANDIDATE FOR GOVERNING BOARD MEMBER  
CHINO VALLEY UNIFIED SCHOOL DISTRICT**

**NAME: JOHN H. PRUITT, JR.**

**AGE: 56**

**OCCUPATION: Human Resource Consultant/ Incumbent**

During my board term, I focused on setting direction for higher API scores, increasing student achievement, developing academic standards, raising employee performance, unification of the school board and improving district fiscal operations.

My term yielded the following **SUCCESES**:

- API scores rose higher than any other period; twelve schools surpassed the State's target 800 API compared to only one school before my term.
- A 2.0 GPA graduation requirement.
- Personnel changes in key administrative positions produced fiscal stability with improved accountability in district operations.
- A school board working as a team.

As an advocate for high academic performance, setting high expectations generates positive results. I remain **dedicated** to: Raising academic, artistic, and social standards; Maintaining academic rigor and achievement; Preparing students to compete globally; Promoting District and employee cohesiveness, recognition, parental involvement, and fiscal solvency.

I am asking for your vote November 7.
